PROFESSIONAL SUMMARY

Creative, self-motivated professional with outstanding interpersonal skills and the ability to quickly learn new applications while managing multiple projects: working as part of a team or autonomously. Familiar with adult learning theory, front-end analysis, instructional alignment, formative/summative evaluation, and all phases of the ADDIE/SAM lifecycle. A people person with a demonstrated ability to meet tight deadlines and create engaging content that enhances performance and drives results.

WORK HISTORY

Techno garden, Inc. DBA Sun Inside Gardening Co., Eugene, OR.

Leader of a Successful Business, sold in 2013 2003-2013

- Gained valuable experience in small business start-up, leadership, project management, retail sales, working with subject matter experts, ILT, manufacturing, and distribution.
- Customer service, sales, creative problem solving and implementation of new policies.
- Designed, developed, and implemented effective employee and customer training programs that increased sales by 20-50%

VOLUNTEER

West Central Community Action Center, Appleton City, MO.

Hermitage Head-Start Policy Council Member 2017-2019

- Attended monthly meetings to discuss and implement new school policies.
- Kept teachers and parents updated on new school policies.
- Signed off on all new teacher hires and fires.
- Helped recruit new hires and conduct teacher interviews.
- Crafted and delivered meaningful speeches and demonstrations to keep parents motivated to read to their children and fill out monthly reading log for continued grant funding.
